P R E F A C E

This book is aimed at helping corporate employees, students and business enthusiasts to understand the technical and jargons used in business management.

With a constantly changing world, it is important to be updated with the verbiage used in the world of business. The book aims to save you from a board room embarrassment and get you brownie points in an interview.

No matter which sector one works in, management is a responsibility one can't escape from. It is always expected that a good manager should be abreast with the terminologies and language of business. The authors have designed this book to be the go-to resource for business terminology.

The authors shall keep updating the compilation in subsequent editions.
