PREFACE

I hope this book gives a rudimentary understanding of Ancient Indian Tradition culture to the reader and students. This book has five chapters. At starting in the books, we have described the ancient polity, state, state administration element and their public social impact on the state. In next chapter then tried to explain the Indian Literature, Culture, and Tradition, and study. the various religious literature and different language literature give the ancient tradition and cultural understanding. Chapter three has written about the Indian Religion, Philosophy. To get a perception of different religions and philosophies, a glimpse of their ideology has been illustrated. then ancient science and management related famous persons with their knowledge, the idea has been interpreted in the different fields like astronomy, geography maths, physics, and agriculture etc. In the last Cultural Heritage and Performing Arts have been elucidated. I have expounded on ancient architecture, dance, drama, pottery, painting, martial arts and theatre etc.

Further the reader and students' suggestions for improvement are always welcome. Thanks for reading this book.
